Pain-relieving, soothing and cooling gel for burns and insect bites.

Description

FIRST AID ONLY burn gel, which has been specially developed to provide rapid relief for burns and insect bites. This high-quality gel is ideal for treating mild to moderate burns and offers an immediate cooling effect. The burn gel has the following properties:

- cooling
- for single use

It also has the following impressive features:

Color: transparent

Brand: FIRST AID ONLY

Product type: burn gel

8 packets, each 3,5 g

INSTRUCTIONS: For first aid treatment of burns. Apply generously to the affected areas. Do not rub in. Leave for at least 30 minutes. The dressing can be moistened with clean water to keep the gel from drying out. Cover the affected area if necessary.

PLEASE NOTE: For external use only. Not suitable for chemical burns. If skin irritation, swelling, hypersensitivity, allergic reactions, or severe worsening of symptoms occur, discontinue treatment immediately and consult
