Description

First Aid Only QuickCool Burn gel for first aid for minor burns and scalds. Cooling and pain-relieving effect. Contains tea tree oil. Can be used individually and to refill Quick + Safe stations. 18 sachets per box.

INSTRUCTIONS: For first aid treatment of burns. Apply generously to the affected areas. Do not rub in. Leave for at least 30 minutes. The dressing can be moistened with clean water to keep the gel from drying out. Cover the affected area if necessary.

PLEASE NOTE: For external use only. Not suitable for chemical burns. If skin irritation, swelling, hypersensitivity, allergic reactions, or severe worsening of symptoms occur, discontinue treatment immediately and consult a doctor. The gel should not be applied to open, heavily bleeding wounds. In rare cases, infections may occur. Please consult a doctor for children under 6 years and for third-degree burns.

Composition: 96% purified water, propylene glycol, glycerin, emulsifier, and surfactant.

Brand country - Germany.
