### Advantages

- Compact and space-saving folding design
- Adjustable blade angle for precision work
- Corrosion-resistant and weatherproof construction
- Secure MOLLE transport system for easy deployment

### Video Overview

Watch a demonstration of the FKMD Folding Spade in action:

### Glossary

- **AISI 420:** Stainless steel offering good hardness and corrosion resistance, ideal for field tools.
- **Idroglider®:** PTFE-based coating that reduces friction and protects against corrosion.
- **FRN®:** Fiberglass Reinforced Nylon - lightweight, durable, and resistant to extreme conditions.
- **MOLLE System:** Modular Lightweight Load-carrying Equipment used to mount gear on tactical vests or packs.
- **NATO NSN:** Standardized identification number used for military inventory classification.
