Sheath	Nylon® tactical sheath with MOLLE compatibility
Country of Origin	Italy

Applications

- Military and tactical field operations
- Rescue and emergency response missions
- Law enforcement and security deployment
- Outdoor survival and expedition use

Glossary

- **N690Co Steel:** Premium cobalt-alloy stainless steel with high edge retention and corrosion resistance, ideal for tactical applications.
- **Black Idroglider®:** PTFE-based Teflon coating providing reduced reflection and superior surface protection.
- **G10 Handle:** Fiberglass laminate material with high impact resistance and excellent grip, even in harsh conditions.
- **CNC Machining:** Computer-controlled precision manufacturing that ensures uniform contouring and superior finish.
- **MOLLE System:** Modular Lightweight Load-carrying Equipment compatible design for easy attachment to tactical gear.
