### Description

The KAIMANO is the exclusive knife of the Italian Navy Special Operations Unit (INSOU), and is built to their strict specifications. The knife was developed with the O.M.G. Company; they are one of the leading suppliers of diving material to the Italian military. All the blade's features have been taken from suggestions from the INSOU's experiences in real world missions. The sheath can be attached to a respirator using the integrate MOLLE system. The KAIMANO is one of the best diving/combat knives in use today.
