Applications

- Outdoor and survival expeditions
- Military and tactical operations
- Emergency and rescue scenarios
- Camping, bushcraft, and adventure travel

Glossary

- **N690Co Steel:** Premium cobalt-alloy stainless steel known for high edge retention, corrosion resistance, and toughness.
- **Black Idroglider®:** PTFE-based coating that enhances corrosion protection and provides a matte, non-reflective finish.
- **Forprene®:** Thermoplastic elastomer that ensures superior grip and comfort even in wet or cold environments.
- **NSN Certification:** NATO Stock Number assigned to approved military-grade equipment.
- **Full Tang:** Blade and handle constructed from one continuous piece of steel for maximum durability and strength.
