Description

The rescue emergency tool has been created to can give a very simple and lightfast response item that can be used in the case of immediately needing to cut ropes, parachute cord, seat belt, fishing nets and so on. We have created a range with 420J2B stainless steel blade for open-air appliances and a range with 301 diving stainless steel highly resistant to corrosion for underwater use. The sheath has on the back side a clip that allows putting the tool in different positions in combat jacket, and in diving equipment, backpacks loops and so on. With the hole in the front can be used with a lanyard like a neck knife too. The total size of the tool including the sheath is only: 140mm. The sheath can be personalized with laser engraving or screen printing.

Blade stainless steel 420J2B

Hardness HRC 54-56

Handle > sheath > clip FRN > NYLON reinforced fiberglass

Overall length 15,5 cm 6.10 "

Weight 59 g 2.08 oz

FKMD

Fox Knives Military Division (FKMD) is a special brand of Fox Knives, which was established in 2005. Their range of goods focuses on operation purposes, which matches the special requests of police, military and rescue units. Since the establishment, FKMD is supplier of the NATO and cooperates closely with elite units worldwide. Highest Reliability, capacity and
