## Description

The Fox Knives Ryu is a modern interpretation of a classic Japanese tanto sword. A short sword that was originally carried by Samurai. Today the term 'tanto' is used for a certain type of blade shape. It is characterized by the pointed tip and often straight back. Something you can clearly see in the Fox Ryu. This type of blade shape is suitable for penetrating tasks due to the strong point. But also daily chores such as opening a box are no problem with this blade shape.

**Blade Steel:** Niolox
