Applications

- Military and tactical operations
- Outdoor survival and bushcraft
- Camping and fieldwork
- Rescue and emergency tasks

Glossary

- N690Co Steel: High-quality Austrian stainless steel with cobalt, ensuring excellent sharpness retention and corrosion resistance.
- PVD Coating: Physical Vapor Deposition process providing enhanced surface hardness and low visibility.
- Forprene®: Thermoplastic elastomer with excellent resistance to wear, chemicals, and temperature, ensuring a stable grip.
- Tanto Blade: Reinforced tip geometry ideal for piercing and cutting through tough materials.
- MOLLE System: Modular attachment standard allowing secure placement on tactical gear or vests.
