Description

FMA Heavy Tac Hanger for Plate Carriers and Tactical Vests

The **FMA Heavy Tac Hanger** is a **reinforced tactical hanger** specifically designed to support the weight of **heavy plate carriers and tactical vests**. Engineered for strength and reliability, it provides a practical and secure storage solution for professional, military, or airsoft applications. Constructed from **high-strength ABS plastic**, the Heavy Tac Hanger supports up to **60 kilograms**, making it suitable for even the heaviest loadouts. Its ergonomic **flippable hook design** allows the user to easily carry their plate carrier or vest by the integrated handle, while the **side limiters** prevent gear from slipping off – ensuring maximum stability and convenience during storage or transport.

Key Features

- **Heavy-duty design** for plate carriers, tactical vests, and chest rigs
- **ABS construction** – impact-resistant and lightweight
- **Carrying capacity:** approximately 60 kg
- **Reversible hook** – can double as a carry handle
- **Anti-slip side guards** to secure equipment in place
- Ideal for **military, police, airsoft, or training gear**
