## Description

Originally designed for the U.S. Navy Seals and Green Berets Special Forces, revisited with complete rubber protection for the toe, used by Special Forces the NS 564 SPIDER II is a multi-purpose highly breathable boot with outstanding support, stability and impact absorption. Also recommended for the special forces unit of the Police. The specially designed Vibram® mix offers optimum grip even on wet surfaces and in situations where extreme adherence and total control are required. Perfect when carrying heavy loads or undertaking more arduous duties.

Details:

- Suede leather 1,8 mm and high performance AIR 8000® outer material
- Highly breathable and quick-drying
- Upper protection - tough ByCast rand which is basically a PU coated split leather
- All around rubble protection and toe cap
- Padded shaft and tongue
- IMS cushioning for maximum comfort - cradles the foot in a natural position reduce fatigue and stress injuries
- Nylon insole with 4-2 mm thickness and EVA (soft) - EVA layer provides instant comfort and reduces foot movement within the boot
- Non-slip Vibram® Spider sole provides excellent grip on all surfaces.
- Flat sole and special profile at the top offer optimal climbing characteristics.
