Description

Friction folders are becoming increasingly popular. The extremely simple mechanism of the pocket knife comes without any lock or spring and has a free-swinging blade. The blade spur protruding in the closed state not only serves for easy opening of the blade, but also provides a similar operating safety as a locking knife by placing the thumb in use. Bastinelli transfers this century-old principle to a modern pocket knife that meets the demands of a modern tool for everyday life absolutely. The blade is made of the proven Böhler N690 and has no clip. The delivery takes place with a Steckui made of antique leather.

family business since then. With a great deal of innovation, by constantly testing new materials and techniques, Fox has been one of the leaders on the knife market. Next to manufacturing traditional and elegant knives, the concept of producing tactical knives for police and military is an essential component for Fox Knives. The official certification as a supplier of the NATO shows seriousness, with which Fox is pursuing the lines and making it perfect with the section FMKD. Fox Knives offers for almost every taste and every use the appropriate knife.
