Description

In this new edition of the Defender, we have focused our attention on the blade, introducing an extraordinary 5mm thick N690Co blade, which gives it particularly high resistance. The handle features deep transverse grooves for an extremely secure grip. This combination of materials and design makes the Defender an ideal option for those who require reliable and long-lasting performance in a variety of situations.

Fox Knives

Around 40 years ago Oreste Frati established Fox Coltellerie, which is today known as Fox Knives. After years of experience in production as well as in distribution he founded his business in 1977, which is running as a family business since then. With a great deal of innovation, by constantly testing new materials and techniques, Fox has been one of the leaders on the knife market. Next to manufacturing traditional and elegant knives, the concept of producing tactical knives for police and military is an essential component for Fox Knives. The official certification as a supplier of the NATO shows seriousness, with which Fox is pursuing the lines and making it perfect with the section FMKD. Fox Knives offers for almost every taste and every use the appropriate knife.
