Historical Origins of the Kukri

The kukri's roots trace back to **Nepal**, where it became the national weapon and tool of the **Gurkhas**. Renowned for their bravery, Gurkha soldiers carried the kukri into combat as both a weapon and a symbol of their heritage. Beyond warfare, the kukri remains an indispensable everyday tool in Nepal for farming, hunting, and household tasks. This modern version by Fox Knives pays homage to its history while incorporating **modern steels and protective coatings** to meet today's outdoor demands.

Fox Knives

Around 40 years ago Oreste Frati established Fox Coltellerie, which is today known as Fox Knives. After years of experience in production as well as in distribution he founded his business in 1977, which is running as a family business since then. With a great deal of innovation, by constantly testing new materials and techniques, Fox has been one of the leaders on the knife market. Next to manufacturing traditional and elegant knives, the concept of producing tactical knives for police and military is an essential component for Fox Knives. The official certification as a supplier of the NATO shows seriousness, with which Fox is pursuing the lines and making it perfect with the section FMKD. Fox Knives offers for almost every taste and every use the appropriate knife.
