Description

The Fox Pikal is a tactical folding knife suitable for martial arts use. It has been made with the collaboration of instructor of self-defense Giuliano Ron, who after two years of rigorous testing combined the advantages of the Pikal style (handle with blade pointing down and edge facing the person) and the Karambit.

About designer: Giuliano Ron is a self-defense instructor and was born in the Italian Dolomites, where he still lives. He began practicing martial arts as a child and became an instructor. His great interest in self-defense inspired him in his design. His experience leads him to share his designs with military personnel, law enforcement and martial arts enthusiasts.

- Blade Steel: N690Co stainless steel
- Hardness: HRC 58-60
- Blade Coating: black Idroglider - special non stick coating made of PTFE that ensures long life and rust resistance.
- Handle: G10 black
