Description

Ready for the next adventure? The Fox Sherpa is already waiting for its next expedition and completely redefines the role of the bushcraft knife. The outdoor knife is not afraid of mountain air or wilderness and, thanks to the massive D2 blade, it paves unimagined routes. The blade has a tough, black, non-stick Idroglider coating. The non-slip handle made of textured micarta provides good knife handling even in the most adverse outdoor conditions.

Knife comes in set with high-quality leather sheath that can be worn vertically as well as horizontally on the belt.

family business since then. With a great deal of innovation, by constantly testing new materials and techniques, Fox has been one of the leaders on the knife market. Next to manufacturing traditional and elegant knives, the concept of producing tactical knives for police and military is an essential component for Fox Knives. The official certification as a supplier of the NATO shows seriousness, with which Fox is pursuing the lines and making it perfect with the section FMKD. Fox Knives offers for almost every taste and every use the appropriate knife.
