Description

This is a handy multi-purpose pocket knife. This knife is a godsend for lovers of traditional hunting, it combines classics and trouble-free reliability. The handle of this knife is made of deer antler, due to its texture, each knife is truly unique.

Knife includes tools:

- Blade DropPoint
- Small blade
- Can opener
- Bottle opener
- Flat screwdriver
- Awl
- Corkscrew

The blade is made of M390 - this is the Austrian steel of the BOHLER concern. On the Rockwell scale, she has an indicator of 60-62 HRC.

ORDER CONFIRMATION

Possesses excellent firmness of the cutting edge. However, it is worth noting that the reverse side of this property is not quite a simple sharpening.

The handle is made of deer antler. Deer horn has a special aesthetic and is excellent as a material for hunting knife handles. This is a rather slippery material, so you should carefully hold the knife in a glove. Made in Italy.
