Description

Hand towels in soft, supple, microfibre material. A high capillary effect results in exemplary absorption (up to 5 times its own weight). Rapid drying and ideal for all sporting and outdoor activities. With silver antimicrobial treated. Small size - big performance! Machine washable or by hand. No bleach. Hand wring and hang up to dry - or by lowest temperature in the dryer. Contains no silicone or other chemicals and be used for the cleaning of crystal glasses and optical equipment. Complete with a mesh stuff sack which has a small pocket for a face flannel or other washing utensils. Two press-button loops for hanging up - especially useful when camping or in strange bathrooms.
