### Description

#### Haller Folding Shovel – Compact Outdoor Spade

The **Haller Folding Shovel** is a practical and compact outdoor tool designed for general use in camping, hiking and everyday outdoor tasks. Supplied with a **nylon carrying case**, it is easy to transport and store.

#### Versatile Outdoor Tool

This folding shovel is suitable for a wide range of outdoor applications, from digging and clearing to basic field tasks. Its compact design makes it a convenient addition to backpacks, vehicles or camping equipment.

- **Shovel function** for digging and clearing soil
- **Serrated edge** for cutting roots and light materials
- **Compact folding design** for easy transport

#### Durable Construction

The shovel blade is made from **carbon steel** with a protective coating for improved durability. The handle is constructed from **glass fibre reinforced nylon**, offering a balance between strength and weight.

This model is designed as a **general outdoor tool** rather than a military-
