Description

Haspro Kids Earplugs are earplugs specially designed to protect hearing from an early age, preventing the irreversible negative impact of excessive noise. It's easy to forget how often children are unwittingly exposed to high noise pollution – just think of the birthday parties, the school discos, the loud music, the concerts and suchlike, not to mention the general street noise that comes with living in a busy city. We can all agree, however, that preserving the health of our children is paramount, and that's where Haspro Kids Earplugs come in. By offering reliable protection against harmful noise levels without affecting the ability to communicate, our children can have fun, and we can rest easy.

- 2 pcs of earplugs for kids (4+)
- Pressure reduction during the flight
- Best for travel
- Soft silicone material

The benefits you can enjoy with Haspro Fly Earplugs include:

- Effective pressure reduction during flights
- Protection against the pain and discomfort of travelling
- A reduction in noise, allowing for a more peaceful journey

- Repeated use
- An aluminum case, ensuring your earplugs are convenient to carry and always on hand

With **Haspro**, travel has never been so comfortable!

Why is hearing protection so important?

High noise levels are not just bad for our hearing, they can have a negative impact on our concentration, efficiency, and overall wellbeing. The longer we remain exposed to excessive noise, the faster we feel tired. This can cause fatigue, headaches, and dizziness, with further health complications also possible.

In accordance with art. 38 of the Act on Consumer Rights, the product mentioned above is not returnable for hygienic reasons if the packaging was opened after delivery and the product was used.
