Description

Haspro Swim

NO MORE WATER IN YOUR EARS!

.... ENJOY YOUR SWIMMING AND BATHING WITHOUT WATER IN YOUR EARS
Haspro Swim are professional earplugs specially designed for use in a swimming pool environment, providing the wearer with effective protection against water penetration. The clever construction and built-in filter reduce irritating background noise, whilst still allowing you to communicate with ease. Leave behind the pain and discomfort of water-logged ears, and enjoy your time at the pool with the peace of mind that your hearing is safe and sound.

Haspro Swim - Product Information

Who would benefit most from using earplugs at the pool? Simply put, anyone who wants to protect their ear canal from that nasty and potentially harmful stuffed up feeling. Whether a professional swimmer or a casual pool goer looking to have fun, Haspro Swim are an ideal solution for all your swimming and bathing needs.

In conclusion, Haspro Swim can offer you:

- Reliable protection against water penetration whilst swimming
- Cancelation of excessive background noise coming from your fellow swimmers
- Resistance against bacteria that could enter the inner ear and cause

Why is hearing protection so important?

Being in high level of noise for a long time can negatively affect our mood, concentration and our effectiveness. The longer we are in excessive noise, the faster we feel fatigue, which turns into pain and dizziness and can even lead to health problems such as damage to health in the form of damage to the organ of hearing.

In accordance with art. 38 of the Act on Consumer Rights, the product mentioned above is not returnable for hygienic reasons if the packaging was opened after delivery and the product was used.

Made in Poland.
