Description

A classic size/format flapped pouch initially developed for carrying water-bottles, ours adds a fast-access but secure draw-string gusset, and accordean front-pocket so it can do more. Now even loose items will be secure inside and modern electronics like the iphone® can be carried under the flap in the flat-pocket securely. The addition of our standard MOLLE back and permanent attachment straps allow it to weave right onto our modular packs and bag. Use it for larger walkie-talkies, water, rations, batteries, etc.

- tough coated Cordura® construction (Scorpion model is Polyester)
- ready to go MOLLE back with attachment straps
- fuzzy loop front area for patches/i.d.'s
- top gusset with paracord and lock-button
- side MOLLE area for attaching our smaller pouches
- 3-D rubber hazard 4® logo on pouch side
- 2x Removable Nylon d-rings

Size: 9 x 21 x 8 cm.

Product Weight ~6.2 oz.

Main Material Invista® 1000D Cordura® (Scorpion models are 600D Polyester);
