### Description

In the recent years bushcraft and survival became more and more popular. And what can be more characteristic in the classic woodsman look than a plaid shirt? So this isn't a surprise that this kind of shirt also found its place in our offer as Defender Mk2 Pilgrim Shirt. The shirt is made of durable fabric with DuPont Sorona®. This type of fabric provides not only the great odor control, but also, thanks to UPF50, it gives you a proper UV protection.

The overall cut of the shirt is the same as in our classic Defender Mk2 shirts. The shirt is buttoned with the subtly Helikon-Tex® branded buttons. On the chest there are two flapped pockets closed with hook&loop tapes. Under them, there are additional flat pockets closed with YKK® zippers. The combination of durable fabric and plaid pattern gives you the certainty that it will serve you for really long time, but it will make you look good in it, no matter if you decide to go into the woods or into urban terrains.

### Features:

- Durable fabric with DuPont Sorona
- UPF50 fabric
- BlueSign
- Anatomic cut
- Non-rolling collar
