### Description

Defender Mk2 is a new version of our classical long sleeve shirt, refreshed to fit the Urban Line. Several improvements were introduced to even better fit the rising user requirements and fit our urban tactical collection.

This shirt is designed for law officers, operators, security personnel and active persons who need garment combining functionality, tactical look and esthetics. It is cut loose enough to allow movement, hide a low-profile body armor or IWB holster. The fabric is breathable and dries quickly. Front stiffener under the collar prevents collar rolling - it would stay neat even under duress. The button slat has an eyeshade holder.

Four newly designed pockets are even spacier than before, allowing easier and more comfortable reach. Two breast outer pockets are covered with slightly oblique velcro-closed flaps. Two breast cargo pockets are underneath the outer pockets, closed with light and durable zippers.

Features:

- Breathable and quick-drying fabric
- Anatomic cut
- Non-rolling collar
- Eyeshade holder
- Two vertical outer pockets with oblique velcro-closed flaps
- Two breast cargo pockets, zippered
- Armpit ventilation openings
