Description

Double Upper Rifle Bag 18® was designed (as the name implies) to safely and comfortably carry a scoped AR-style rifle with extra scoped upper, or two AR-style SBRs or two AKs in basic configuration. The bag can be carried with four sturdy handles, or with detachable (and stowed in special pockets) shoulder straps. On the outside there are three large pockets, each of them designed slightly differently. Each has a zippered pocket and velcro mounting panel to attach Versatile Insert System®-compatible inserts. The main chamber of the bag has a ribbon loops system allowing velcro restraints to be placed anywhere they are needed to keep the weapon from shifting. Elastic loops would keep cleaning rods and cleaning accessories, and specially-designed restrain pockets would keep muzzles and buttplates securely in transport.

- Four carry handles
- Stowable backpack-style carry straps
- Three external zippered pockets with Versatile Insert System®-compatible velcro-panels and organizers
- Main chamber would carry: one AR-style lower receiver, two AR-style scoped upper receivers, or two AK-rifles or two AR-style SBRs in basic configuration
