## Description

When working undercover, being able to blend into the crowd, but still have to be able to have your weapon at the reach of your hand. This is why our Downtown backpack is equipped with a special compartment that can easily and securely fit your standard service pistol, but also allows you to draw it within seconds. On the outside it looks like normal, civilian backpack, that can fit all your essentials, small laptop etc. The pack has no any additional MOLLE/PALS webbing, loop panels or anything that can give you away. The interior of the main pocket is covered with soft velour fabric, compatible with Versatile Insert System for personalization. Additionally, the pack has a special compartment that can hold a hard ballistic insert.

## **Features**
