Other Useful Information

The EDC Side Bag bridges the gap between a small shoulder bag and a fullsized field pack. Its relatively compact size makes it ideal for urban commuting, short trips and travel, while the internal configuration and VIS compatibility offer tactical-level customization. The hidden pocket allows discreet carry of a firearm, or can be repurposed for emergency gear, first aid items or sensitive electronics.

Laser-cut MOLLE/PALS provides modern, low-profile mounting points, reducing weight and bulk compared to classic stitched webbing. Combined with Woojin hardware and YKK zippers, the bag is built to withstand intensive everyday
