## Description

Ghillie Suit consists of four parts: tunic, pants, hat and weapon camouflaging tape. The garments are made out of breathable mesh with user's silhouette obliterating camouflage attached. Thanks to its design the suit can be worn over the clothes or uniform. Slotted pockets inside tunic and pants allow access to equipment buried beneath the suit. The hat camouflages head and face, protecting it also against insects, and weapon camouflaging tape obliterates the weapon silhouette. Ghillie Suit is meant for scouts, snipers and civilian enthusiasts.
