Description

Functional front panel for your vest

The Guardian Flap is a modular front flap designed for the Guardian Plate Carrier, allowing for the storage of three rifle magazines. The flap attaches to the vest via two buckles and hook & loop fasteners. The built-in pocket is divided into three sections, each designed to accommodate a single magazine for AR, AK47, and AK74 systems. Magazines are secured from the top with a shock cord featuring non-slip grips. The flap surface includes a MOLLE/PALS compatible modular system (6 columns in 3 rows). Additional loops on the sides of the flap are interwoven with a shock cord for carrying extra gear. Anti-slip grips are sewn into the bottom corners of the flap for easy detachment.

Features:

- Convenient handles for easy operation
- MOLLE straps for additional gear attachment

Weight [g]	107
Dimensions	25 x 3 x 18 cm / 9,84 x 1,18 x 7,09 in
Material	100% Polyester
