## FAQ

**Can I wear this balaclava under a helmet?** It makes it comfortable under helmets and hats without creating pressure points.

**Does it cover the nose and mouth?** you to cover or expose the nose and mouth depending on conditions and comfort.

**Is it suitable for sports like running or cycling?** good choice for running, cycling, and other active use where moisture management matters.

**Is the fit tight or loose?** It is close to the face. The Lycra content adds stretch so it conforms well without feeling overly tight.

## Glossary

- **Balaclava:** A close-fitting head and face covering that protects against cold, wind, dust, and friction under gear
- **Flat Seams:** Low-profile seams designed to reduce rubbing and pressure points when worn under other equipment
- **Lycra:** A stretchy fiber added to fabrics to improve fit, flexibility, and shape retention
