Description

OTUS (Outdoor Tactical Ultra Shorts)® are the shortest of Outback line tactical pants. Made of the lightweight and extremely breathable nylon fabric – VersaStretch® Lite, they'll prove their best in hot conditions. Although the pants are almost as short as possible, they still provide an effective carrying space. The pants have two classic hip pockets with reinforced edges, open-top back pockets, hook&loop closed front pockets and two, zippered cargo pockets on thighs. The front hook&loop pockets will fit not only most of the smartphones, but are large enough to fit even an AR15 magazine. These shorts are perfect choice for those hot summer days on trail, range etc.
