Description

During your trips into the woods, one of the most important piece of equipment are the gloves. They will not only guarantee the proper grip during use of axes, saws etc, as well as they will protect your hands against any abrasions. It is also a essential during winter trips. Our Ranger Winter Gloves are the winter model, made specially for cold weather. Made of thick, durable cowhide leather to guarantee a right grip, while the additional lining prevents frostbites. Carefully planned cuts are comfortable, even during prolonged use. Cord adjustment connected with elastic element on the inner part provide proper fit and prevents any unwanted objects from getting inside your gloves. Cord loop on cuff and simple carabiner allow you to attach the gloves to your belt or pack.
