Description

New generation of our RATEL backpack is the effect not only of the users feedback, but also our years of experience with this model. Lightweight and durable, this more then 25l pack is a great choice for 1-2 day patrols or every day carry. Large main compartment is compatible with any hydration bladder. Two additional external pockets make this pack spacious enough to fit all your essentials for almost every mission or hike. MOLLE/PALS webbing on front, sides and bottom give you the ability to mount additional pouches, making the pack fully mission scalable. Velcro panel on front allows easy personalization. Stiffened back and soft, yet durable and profiled shoulder straps provide comfort, even during prolonged use. Detachable hip belt provide additional stability and proper weight distribution.
