### Description

SFU™ is one of our classic lines. The Special Forces Uniform™ pants offer ease of movement and thought-out pocket carry system. The SFU NEXT® pants are the next generation of the SFU™ pants, designed with users feedback in mind. They combine classic look, bespoke anatomic cut and a system of nine pockets to carry essential equipment. The pants are adjustable for size at a waist - no need to use belt - and in leg cuffs. Front pockets have reinforced edges to withstand use of the carrying clips attached to lights or knives. Rear pockets closing flaps and the setting of the front pockets prevent spillage and promote quiet loading and unloading. Spacious thigh pockets, velcro-and-button closed, would hold large and heavy objects, like spare rifle magazines. The calf pocket, velcro-closed, is easily accessible while kneeling. Crotch and seat are reinforced to enhance the durability of the pants. Inside knee area there are internal pockets for our Low Profile Protective Pads. SFU NEXT® are solution for a variety of uniformed services.

### Features

- Adjustable waist and cuffs
- D-rings
- Two front pockets
- Reinforced edges of the pockets to withstand mounting clips
- Two slim front EDC gear pockets with new closure type
- Two rear pockets
- Two thigh cargo pockets with velcro flaps and button closure, internal organizers and elastic loop for magazine
