Description

On super-hot days, sometimes tactical functionality is just as important as comfort or a low profile look, and our Urban Tactical Shorts Jeans guarantee you this. Based on our standard, jeans version of the Urban Tactical Pants®, they not only provide comfort on hot days, but will also hold your equipment, focusing it around the hip line. The shorts have numerous pockets, including two classic pockets with reinforced edges, two smaller front pockets closed with hook & loop, two zippered cargo pockets, and spacious back pockets. The versatility of the pants really comes to light given that the pocket will hold not only EDC items like your wallet or cell phone, but also an AR magazine. Large beltloops will easily accomodate even wide belts, and the "jeans neck" will stop the pants from riding down.
