Description

WOODSMAN Pants are part of our set of a shirt and pants, created specifically for bushcraft and outdoor enthusiasts. These simply cut, yet versatile pants are a great example of our minimalist approach to this type of clothing. They are equipped with four pockets - two at the hips with reinforced edges and two smaller, placed aside, slightly at the back. You can carry a folding saw or knife in them. The wide belt loops will work with belts up to 50 mm wide. Additional loops are used to attach gloves or secure items worn in the side pockets. Knee reinforcements, which are also pockets for pads, and the use of strong DuraCanvas® fabric to sew these pants, guarantee that WOODSMAN pants will serve you faithfully for many years.
