Description

Comfort and durability - these are the features that distinguish the WOODSMAN shirt and guarantee that it will serve bushcraft and outdoor enthusiasts reliably for a long time. Made of DuraCanvas® fabric, with additional reinforcements on the elbows, it will perform well even in the harshest conditions. To let its user move freely, flexible panels made of VersaStretch material are sewn on the back. Zippered underarm ventilation provides comfort during high-effort activities. Classic, buttoned chest pockets easily accommodate items such as a penknife, tinder, compass, etc. Flat loops can be used to tie and secure items carried in pockets. Woodsman has two internal mesh pockets and one Napoleon-style, zippered. The shirt itself is fastened with Canadian buttons sewn on with strong tape.
