Description

Our Blackthorn 1 Man Tent is perfect for anyone looking to travel light in wet and windy conditions. The tent is made of a waterproof and breathable fabric, with fibreglass poles and an ultra-low profile so you don't get buffeted by strong winds and rain. After many battles with midges in the Scottish Highlands, we've given our Blackthorn tent an inbuilt bug net fine enough to keep any flying pests out. You can pitch this 1 man tent in five minutes, and pack it away into a carry bag that weighs only 1.5kg in total, ideal for your lightweight hikes.
