Description

Backpack tourist Highlander Rambler 88 Charcoal (RAM088-CH) - very roomy and one of the lightest in its size, affordable, full-fledged backpack for long trips and difficult mountain hikes, having all the necessary adjustments and design elements for comfortable trekking. The soft frame backrest is adjustable in height and has a locking system in 4 positions. For more even weight distribution, the backpack is equipped with a hip belt and a chest strap. Spacious zippered pockets are located on the sides and in the top flap. For additional things there is an elastic pocket on the front. For added convenience, there is a front zippered entrance. All Highlander Rambler backpacks are made from a special water-resistant durable XTP fabric, and the back and inside of the shoulder straps are made of a special Airmesh material, which contributes to improved ventilation.

- The Tri Lock Adjust suspension system has 4 height adjustments for a secure fit and perfect fit on your back.
- Frame: semi-rigid, removable, consists of two vertical aluminum plates.
- Padded adjustable hip belt.
- Chest strap on fastex, adjustable in height and width.
- Height-adjustable shoulder straps with soft polyurethane foam padding lined with breathable mesh fabric.
- Above the straps of the backpack is a carrying handle, with which it
