Description

Huenersdorff Wide-neck Canister

Made of high-density polyethylene and suitable for foodstuffs, the Huenersdorff Wide-neck Canister has been trusted by globetrotters and campers for years. Available in various sizes, this UV-resistant canister features a large opening for easy filling and an optional screw thread for attaching a tap, making it ideal for water pouring. The 6L and 11L versions also come with an additional screw cap at the rear for added convenience.

Features:

- Large opening for easy filling (Ø 8.8 cm).
- Additional small spout for easy pouring (6L and 11L versions).
- Temperature resistant from -20°C to +70°C.
- UV protection to prevent degradation in sunlight.
- Captive screw connection for secure closure.
- BPA-free for safe use with food and water.
