Description

IHM Digital Stopwatch

The **IHM Digital Stopwatch (Ref. 0335XC)** is a versatile and eco-friendly timekeeping device designed for **daily professional use** by teachers, educators, and coaches. With its **ergonomic, extra-flat design**, it fits comfortably in the hand, making it ideal for repeated use throughout the day.

Equipped with a **long-life lithium battery (CR2032)** from the trusted MAXWELL brand, this stopwatch offers **energy efficiency and sustainability**. It is insulated before first use and features an easy-access battery hatch for quick replacement. Packaged in **plastic-free, 100% recyclable cardboard**, it reflects a strong commitment to environmentally responsible design.

Aim of the Product

To provide **reliable, precise, and sustainable timekeeping** with essential stopwatch functions, clock, alarm, and calendar, while minimizing environmental impact through eco-friendly materials and design.

Key Features

- **Display:** 1-line LCD, large 12 mm digits
- **Chronometer:**
  - Capacity 24h
  - 1/100 sec precision up to 30 min, then to the second up to 24h
