Description

Rite in the Rain Tactical Field Book

The **Rite in the Rain Tactical Field Book** is a compact, durable notebook designed for real field conditions where normal paper fails. The pages are made from **acrylic-coated all-weather paper** that stays usable in rain, humidity, mud, and cold weather. The **Field-Flex** cover bends in pockets and packs and returns to shape, while the book-style **perfect binding** with weatherproof glue keeps everything solid during long-term use.

Inside, you get a **Universal page pattern** suitable for text notes and quick sketches. The Tactical Field Book also includes **reference material** for field work (including rulers, conversion aids and mapping/mission-related references) to reduce the need to carry extra sheets.

Aim of the Product

Made for people who need reliable notes and sketches in harsh environments – military and training use, security, outdoor professionals, rescue/response tasks, and serious hiking or expedition planning.

Key Features

- **All-weather paper** remains usable even when wet
- **Field-Flex cover** fits pockets/packs and resists abuse
- **Perfect binding** with weatherproof glue and rounded corners
- **Universal page pattern** for notes and sketches
- **Perforated sheets** for clean page removal

FAQ

Can I write on it with white pen if it's wet or raining? It remains usable when wet. For best results, use a pencil or waterproof ink.

Which pens work best? It works in all conditions. Ballpoint pens and permanent markers can also work, but choose waterproof ink if you expect rain or very wet pages.

Are the pages removable? Yes, they are perforated, so you can remove pages cleanly when you need to hand off notes or keep a separate record.

Is it good for sketches, coordinates, and quick diagrams? Yes, it's designed for field-style sketching, making it practical for planning, mapping notes, and quick diagrams.

What's special about the cover? It can bend in pockets or packs and spring back, while still protecting the pages from scratches and rough handling.
