Description

INGEAR OPTICS GLOBAL VISION MILITARY BINOCULARS

7x50-B

The **INGEAR OPTICS GLOBAL VISION 7x50-B** military-grade binoculars are designed for **tactical professionals, law enforcement, and outdoor adventurers**. Featuring **powerful 7x magnification, multi-coated optics**, and a **built-in rangefinder reticle**, these binoculars ensure high-precision target measurement and crystal-clear image resolution.

With a rugged waterproof construction and full rubber body armoring, the 7x50-B binoculars are built to withstand harsh conditions while delivering sharp, high-contrast visuals even in extreme lighting.

Key Features:

- **7x Magnification:** Powerful optics for professional use.
- **50mm Objective Lens:** Captures more light for clear images in low-light conditions.
- **Built-in Rangefinder Reticle:** Allows accurate target measurement and range estimation.
- **Porro Prism (BAK-4) System:** High-resolution images with enhanced contrast.
- **Multi-Coated Optics:** Improves brightness and clarity in extreme lighting.
