Description

INGEAR OPTICS GLOBAL VISION MILITARY BINOCULARS 7x50-B

The INGEAR OPTICS GLOBAL VISION 7x50-B military-grade binoculars are designed for tactical professionals, law enforcement, and outdoor adventurers. Featuring powerful 7x magnification, multi-coated optics, and a built-in rangefinder reticle, these binoculars ensure high-precision target measurement and crystal-clear image resolution.

With a rugged waterproof construction and full rubber body armoring, the 7x50-B binoculars are built to withstand harsh conditions while delivering sharp, high-contrast visuals even in extreme lighting.

Key Features:

- 7x Magnification: Powerful optics for professional use.
- 50mm Objective Lens: Captures more light for clear images in low-light conditions.
- Built-in Rangefinder Reticle: Allows accurate target measurement and range estimation.
- Porro Prism (BAK-4) System: High-resolution images with enhanced contrast.
- Multi-Coated Optics: Improves brightness and clarity in extreme lighting.
