### Description

Stichfrei protects for up to 8 hours against irksome insect bites such as from gnats, ticks, stinging flies, gadflies, mosquitoes, sandflies, tropical mopane-flies and tsetse flies.

Just spray it on your skin and forget about gnats and gadflies. Stichfrei has been tested for its toxicological harmlessness and is successfully used on all continents: Be it in the tropical jungles of Brazil, the gnat-ridden forests of Finland, the subtropical rainwoods of the Himalayas, Africa or the subtropical zone of Australia, Stichfrei convinced its users in any part of our world.

Due to the plant oils that it contains, Stichfrei, with its pleasant smell, also cares for your skin and protects it against dehydration. The UV-B filter that it contains also protects your skin against sunburn. Together with the insect repellent, it is the ideal combination for anglers, hikers, bathing beauties and sun worshipers. Permitted for general sale in
