Description

Jetboil JetPower 4-Season Fuel Gas - 100 g / 230 g / 450 g

Jetboil's high-performance propane/isobutane blend is engineered for maximum efficiency and minimum consumption, ensuring optimal performance in all weather conditions, even in extreme cold. The advanced fuel mix delivers higher vapor pressure, making it perfect for camping, hiking, and mountaineering expeditions.

Key Features:

- **Four-Season Performance:** Optimized for cold weather with high vapor pressure stability.
- **Efficient Fuel Mix:** Butane (2%) / Propane (25%) / Isobutane (73%) ensures stable and efficient combustion.
- **Extended Burn Time:** Each canister provides multiple liters of boiled water, depending on conditions.
- **Compact & Lightweight:** Available in three sizes to suit various trip lengths.
- **Threaded Canister:** Compatible with Jetboil stoves and most standard camping stoves.
