Description

Built with backpackers in mind, the MiniMo cooking system combines Jetboil's tried-and-true efficiency and versatility with a convenient form factor. Powered by FluxRing technology, the MiniMo reaches a rolling boil in just over two minutes with half the fuel consumption of traditional systems. Jetboil's proprietary regulator technology offers incremental heat adjustments from light simmer to full boil, perfect for sautéing greens, simmering sauces, and more. Metal handles and a FluxRing cooking cup—optimized for a low spoon angle—make the MiniMo the perfect vessel for personal cooking and eating. Start heating instantly with the convenient, reliable pushbutton igniter; save pack space with the clever sideways burner storage design. Includes fuel canister stabilizer and pot support; easy to pack and carry at only 14.6 ounces.
