Some like it *hot*-all day long. The Etna keeps your latte steaming for up to **5 hours** or your iced tea chilled until the afternoon, thanks to double-wall vacuum-insulated stainless steel. The 100 % leak-proof **3-in-1 lid** lets you sip the way you want and the **Snapclean®** insert pops out for a proper scrub in seconds.

Why you'll love it

- **3-in-1 multifunction lid**
- **Snapclean®** - pinch, pull, rinse = done.
- **100 % leak & spill proof** - toss it in your bag with zero fear.
- **One-hand drink** - squeeze the button, sip, release.
- **Cup-holder friendly** - Ø 7.1 cm fits most car and treadmill holders.

Pro tip: Pre-heat with boiling water for 3 min before filling—adds an extra hour of heat retention. Swap lids? Go wild: Daytime straw lid, commute 3-in-1 *Etna*, hike screw-tight *Lagoon*—they all snap on the same threads.
