Description

Kambukka Etna 500 ml – 100 % Leak-Proof Insulated Mug

Some like it *hot* – or ice-cold. The Etna 500 ml lets you enjoy either, thanks to **double-wall vacuum insulation** that keeps drinks hot for up to **9 hours** or cold for **18 hours**. The **3-in-1 lid** means no spills, no wasted drops and one-hand sipping on the go, while the **Snapclean®** insert pops out for a dishwasher-level clean.

Why you'll love it

- **3-in-1 multifunction lid** • *Push* – press to sip, release to seal • *Always-open* – for relaxed drinking • *Locked* – 100 % leak- and spill-proof
- **Snapclean®** – pinch two tabs, pull, and the whole valve module drops out for thorough cleaning.
- **18/8 stainless steel** body – flavour-neutral and tough.
- **BPA-free** plastics – safe for you, safer for the planet.
- **Anti-slip base** & fits most cup-holders (Ø 7.1 cm).
- All Kambukka lids are **interchangeable** across the range.

Specification

Volume	500 ml
Thermal hold	Hot ≤ 9 h • Cold ≤ 18 h

ORDER CONFIRMATION

Material	18/8 stainless steel (body) • PP / Tritan® (lid)
Finish	Matte black powder-coat
Dimensions	H 21.9 cm (body 18.2 cm) • Ø 7.1 cm
Weight	321 g
Dish-washer	Lid top-rack safe • hand-wash body for paint longevity
Leak-proof rating	100 % - safe in pack or handbag

How Snapclean® works

Pinch the two flexible wings inside the lid and lift - the complete valve core detaches for rinsing or dishwasher cleaning. Snap it back until it clicks and you're ready for the next brew.
