Description

The Flyby soars into the Kershaw lineup with a stylish design and sharp cutting performance. Open the modified Wharncliffe blade effortlessly with assisted opening. Its D2 tool steel is high performance and high edge retention, and the blade shape is an ideal box cutter. Chamfering on the frame lock makes it easy to unlock the blade. A gray PVD handle finish, BlackWash™ blade finish, and black-oxide tube spacers create a stealthy look. This Kershaw earns extra style points with its handle cutout. With so many features, the Flyby is ready for takeoff.

- Stylish everyday carry design; inspired by classic aircraft
- D2 high-carbon tool steel is highly wear resistant, tough, offers excellent edge retention; BlackWash™ finish hides use scratches
- Opens quickly and easily with Kershaw's assisted opening and built-in flipper
- Single-position deep-carry pocket clip
- Blade Style Wharncliffe
- Blade Edge Plain
